

REMARKS

[0002] Applicant respectfully requests reconsideration and allowance of all of the claims of the application. The status of the claims is as follows:

- Claims 1-107 are currently pending
- Claims 91-107 are withdrawn herein

Election / Restriction

[0003] The claims are subject to a restriction/election requirement under 35 U.S.C. §121 as allegedly containing two patentably distinct groups of the claimed invention:

- I. Claims 1-90, drawn to a media engine of sources sinks and transforms, classified in class 719, subclass 310.
- II. Claims 81-107, drawn to resolving sources and topologies, classified in class 715, subclass 203.

[0004] Applicant hereby elects—with traverse—to prosecute Group I (claims 1-90). Consequently, claims 91-107 are effectively withdrawn.
